

# Dover Public Library's 2022 Reading Challenge

Starting in January, we challenge you to read the themed book for each month. Can you get through all 12 books by the end of the year? Record the book you read in the blank space for your month below. There are no prizes - just a fun, personal challenge! If you have any questions or need help picking out books to read, do not hesitate to ask a librarian. We love giving recommendations! Good luck!
